

# Compliance Training

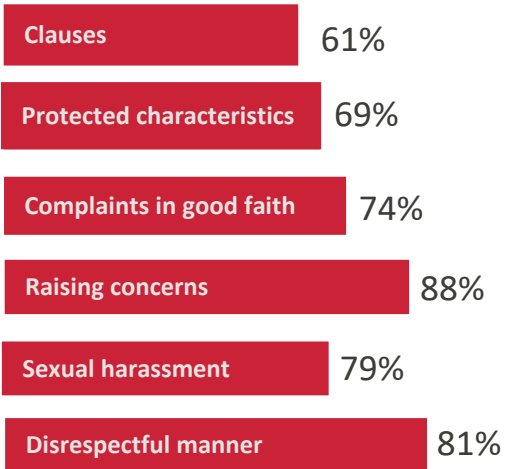

## Professional Services Organization

### CASE STUDY

Purpose: reinforce knowledge and understanding of policies as well as enable application of when to act- i.e. right situation, application of knowledge, etc.

### Results

#### Understanding of Policies vs Actions

#### Areas of focus

- Conduct counts
- Preventing sexual harassment
- Raising concerns
- Respecting the Individual
- Right behaviors

#### Activities leveraged

- Multiple videos
- Path finder (scenario based/situational role playing)
- Check point (knowledge/multiple choice)
- Fast lane (knowledge/situational)
- External link (survey for respondent feedback)

*Data suggests that learners know how to act, but may not be as aware of when to act-right situation, application, etc. Some remediation and review of policy details could be beneficial.*
